

RII30920 Certificate III in Civil Construction (Pipelaying)

Course Overview

This qualification reflects the role of individuals working as skilled operators in civil construction, who apply a broad range of skills in varied work contexts, using some discretion and judgement and relevant theoretical knowledge.

This specialisation ensures you are skilled in pipelaying infrastructure.

Course Delivery

Training and assessment will be a combination of on-site and in classroom block training at an Australian Training Management facility. Students will be required to complete student record books and unit specific logbooks.

Entry Requirements

All students will take a Language, Literacy and Numeracy (LLN) test during enrolment. This helps us offer any needed support. If you don't meet entry requirements, we'll connect you to support services.

All students must work in civil construction and hold a Construction White Card before training starts.

Course Duration

The average course duration for **RII30920 - Certificate III in Civil Construction (Pipelaying)** is 36 months.

Fees

Funded: Students registered through a traineeship/apprenticeship pathway may be eligible for funding through the Jobs & Skills WA, lower Lees, Local Skills Program. Fees will depend on units selected. The student tuition fees are indicative only and are subject to change given individual circumstances at enrolment. Additional fees may apply such as student services and resource fees.

The CTF provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the CTF in reducing the costs of training for eligible workers.

RII30920 Certificate III in Civil Construction (Pipelaying) Units of Competency

To obtain RII30920 Certificate III in Civil Construction (Pipelaying) you require 25 units
(8 core & 18 elective)

Core Units – 8 units required

RIIBEF201E	Plan and organise work	RIICCM201E	Carry out measurements and calculations
RIICCM203E	Read and interpret plans and job specifications	RIICOM201E	Communicate in the workplace
RIISAM203E	Use hand and power tools	RIISAM204E	Operate small plant and equipment
RIIWH201E	Work safely and follow WHS policies and procedures	RIIRIS301E	Apply risk management processes

Elective Units – 18 units required

RIICCM202E	Identify, locate, and protect underground services	RIICCM205F	Carry out manual excavation
RIICCM206E	Support plant operations	RIICCM207E	Spread and compact materials manually
RIICCM208E	Carry out basic levelling	RIICCM210E	Install trench support
RIICRC208E	Lay Pipes	RIISAM201E	Handle resources and infrastructure materials and safely dispose of nontoxic materials
RIIWH302E	Implement traffic management plans	RIIWMG203E	Drain and dewater civil construction sites
RIICPL301E	Install water mains pipelines	RIICPL302E	Install stormwater systems
CPCCLRG3001A	Licence to perform rigging basic level	RIIWH202E	Enter and work in confined spaces
CPCCLDG3001A	Licence to perform dogging	RIIIMG301E	Maintain site records
BSBTWK301	Use inclusive work practices	RIIWH205E	Control traffic with stop-slow bat
