Work Safely at Heights (Refresher)

Course Code ATM010A

AIM OF THE COURSE / TARGET GROUP

This Working at Height refresher is designed for participants who wish to refresh their knowledge and who holds a Statements of Attainment that is not more than 5 years old.

This course provides skills and knowledge through a blend of meaningful theoretical instruction with practical training, based on simulated workplace situations. This aids participant understanding of the hierarchy of hazard control, the forces generated in falls, specific hazards such as pendulum effect, swing back and suspension trauma. This course also illustrates the selection, inspection, application and maintenance of anchor points, harnesses, and other height safety equipment as well as addressing other height safety topics such as ladders, temporary scaffolds and working in elevated work platforms (not including WP certification). This course is suitable for any individual who is required to work at height.

DURATION

4 hours *Please note: The course may be completed within a shorter or longer time frame depending on the experience of those in attendance*

COURSE CONTENT

This course is based on the requirements outlined in the Regulations, Codes of Practice and Standards applicable to any person required to work at heights for any reason and includes:

- Safe work systems and practices to prevent falls
- Identification of hazards, and assessing and addressing risks
- Selection, fitting, use, care and maintenance and storage of PPE
- Selection, use, care and storage of tools and equipment to be used
- Emergency response procedures; and
- Safe methods of working on brittle and fragile material

ASSESSMENT METHOD

Knowledge based questionnaires and practical demonstration

PRE-REQUISITE FOR THIS COURSE

Must have basic English literacy skills
Evidence of previous statement of attainment no older than 5 years

ACADEMIC AWARD AND RECOGNITION

Upon successful completion participants will be issued with either of the following Statements of Attainment relevant to their industry area which will be recognised nationally

- **R11WHS204D Work safely at heights**

WHAT TO WEAR

All course participants are required to wear appropriate work attire. Whilst closed in shoes are a minimum requirement for attendance on any course, steel capped safety boots are required for forklift, dogging, vehicle loading crane (hiab) and rigging courses.

MORNING TEA AND LUNCH

Feel free to grab a tea or coffee before the course starts and during the course breaks. All participants will be offered morning/ afternoon tea and for those attending full day courses **lunch is provided** (an assortment of sandwiches and hot finger foods). Persons with special dietary requirements should cater for their personal needs.

COURSE FEE

\$190.00

CTF SUBSIDY

\$66.00 After CTF subsidy This subsidy is available to eligible participants only.
Bulk billing is available to participants who pay the balance prior to the course

The Construction Training Fund provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the Construction Training Fund in reducing the costs of training for eligible workers.
